

Press Release for Dr. Digiallorenzo

Dr. David Digiallorenzo a Periodontist and Dental Implantologist with a unique holistic Dental Spa has been named a Top Dentist 2008 in the annual Best of the Main Line issue published by main Line Today magazine. One of 9 dentists recognized, Dr. Digiallorenzo was nominated by his peers statewide. His practice serves patients from the local, regional, state wide, national and international locales as far away as Italy and South America!

A leader in his field, Dr. Digiallorenzo combines renowned knowledge and skill, with a cutting edge technological approach. His practice focuses on the management of the advanced case . The diagnosis and prevention of gum disease, orthopedic and plastic reconstruction of the oral cavity utilizing dental implants and advanced reconstructive techniques to achieve a healthy, beautiful smile.

Dr. Digiallorenzo offers reflexology, shiatsu, homeopathy , aromatherapy and nutritional consultation provided by certified massage therapists during your dental visit. In addition, Dr. Digiallorenzo works with leading acupuncturist in the Philadelphia area and alternative and conventional health care providers. “We view healing as a total body experience” notes Digiallorenzo. “Our approach is to listen to and understand our patients, address their concerns and facilitate the therapy in a calm, soothing, comfortable environment. Often therapy is completed in one visit under sedation! Complimentary transportation is offered as well for office visits!

According to Dr. DiGiallorenzo, utilizing a holistic approach “we look at the whole patient, not just the oral health of the patient. While our focus is on oral health, our goal is to help our patient achieve optimum health in all areas. We frequently assist in smoking cessation, nutrition and other areas to create a feel good approach for today, tomorrow, and in the future.”

Dr. Digiallorenzo is a graduate of Temple university School of Dental Medicine, with continued multi-disciplinary Specialty Training at The University of Pennsylvania in Periodontics, Implantology, Orthodontics and Prosthodontics. Dr. Digiallorenzo has practiced for 15 years, teaches nationally and internationally and is a recognized opinion leader in his field. On being named Top Dentist, he noted “ A great practitioner is one who never stops being a student- even as a teacher!”

Dr. Digiallorenzo’s practice is located at 184. W Main St. Collegeville, Pa 19426 and 121. E. 4th st. Williamsport, Pa 17701...For additional info please visit www.perioimplants.us or call 610-409-6064
